ELECTION COMMUNICATION

TRADE UNIONIST AND SOCIALIST COALITION

FOR A WORKER'S MP ON A WORKER'S WAGE

TUSC AGAINST CUTS

Will you be glad to see the back of the Tories – but have no enthusiasm for Keir Starmer's Labour Party?

Do you feel let down by all the main parties on Gaza, on the Post Office scandals and infected blood, on housing, on the NHS and local services?

Do you feel like nothing is working properly – and yet the rich are getting richer all the time? We agree.

Keir Starmer's Labour will be the next government, but in Leeds central and Headingley, you have a chance to tell them what you think by voting for a socialist working-class fighter instead of another career politician.

VOTE LOUIE FULTON

IN LEEDS CENTRAL AND HEADINGLEY

"We need working class representation in parliament to stand up to the big business backed parties"

TORIES OUT!

Trade Unionist and Socialist Coalition campaigners fight for **every possible improvement** for working people. The gap between the rich and the rest of us has never been wider, but the difference between the major parties has never been narrower.

Working people need a new party that stands up for them. And a new way of running the economy to benefit the majority, not just the billionaires. In this rich country, **everyone should be able to afford a warm home, have a well-paid job, access free education and health, while protecting our environment.**

If the system can't afford that, we need to change the system along socialist lines to one that works for us!

Socialist Party
Standing as part of the Trade Unionist and Socialist Coalition

WE SAY:

- **Fully fund the NHS and other public services.** Stop and reverse privatisation
- **Mass council house building.** Rent control now. Don't make workers' pay for the housing crisis – reject rent and service charge increases
- **Stop the slaughter in Gaza.** No to war! For mass trade union action to stop arming the Israeli state
- **Renationalise rail, mail, energy and steel.** And other privatised utilities, under democratic workers' control
- **For real workers' rights.** For inflation proof pay rises.
- **For a £15 an hour minimum wage.** Repeal the anti-trade union laws. Ban zero hour contracts and fire and rehire
- **Free education and training.** Scrap tuition fees. Grants not loans - for college and university
- **Combat climate change.** For a free-to-use, expanded, renationalised public transport system.
- **Don't make workers' pay for the bosses climate crisis.** Fight for socialist change.
- **Take the wealth of the 1%.** Run society in the interests of the many not the few!
